بسم الله الرحمن الرحيم

If God (Allah) doesn't need us then why we ? are requested to worship him

Some ask if Allah Almighty doesn't need us then ? why does he order us to worship him

:**The answer**

Firstly: this is an exam from Allah the Almighty to distinguish the good from the bad, the believer from the infidel, and we are on earth to be tested.

Secondly: The heart worships and physical worship As Monotheism,Repentance,Supplication, .Salah(Prayer of Muslim) and Fasting etc

These Worships you do it for your pun sake so you .gain peace

If you don't restrain your soul with worships it will .repel and go astray

: **Allah The Almighty says in the Holy Quran**

Whoever does righteousness, whether male or .97)

female, while he is a believer – We will surely cause him to live a good life, and We will surely give them their reward [in the Hereafter] according to the best .– of what they used to do.) Surah Al-Nahl

.The good life except with a proper faith

If you look at countries with the highest rates of suicide you will find that they are the rich countries; where the income of the people is high and they have all kinds of entertainment :Cinema, theme .. parks, casinos etc

So they have all the worldly means to happiness. .But still they are the most sad miserable

As Allah The Almighty says in the Holy : Quran

Whoever does righteousness, whether male or .97) female, while he is a believer – We will surely cause him to live a good life, and We will surely give them their reward [in the Hereafter] according to the best .– of what they used to do.) Surah Al-Nahl

The good life and peace of mind are in the right .faith and in your relationship with Allah

Do you see now why Allah ordered us to worship ?Him

It's us who benefit of that , but Allah Almighty is .self-sufficient and does not need us

.glory be to Allah the Best of creators
